BACKGROUND

We are a full service law firm established in 2003 and began to grow rapidly around 2009. Our integrated services aiming in client benefits are our commitment to quality. Our Law Firm is filled with dynamic and energetic young people with extensive experience of working in the Indonesian market as legal counsel for prominent clients. Looking after our clients interests are always on our top priority.

Our Motto is: "Treat Client as a Family and support them Legally".

In terms of quality, we only know one way to do our job, professionally and to the highest standards. We also believe that complicated legal issues may not always demand complicated solutions, but they certainly demand creativity and the cooperation of lawyers mastering different areas of the law.

We believe we have the experience and expertise to advise you on future transactions for the following reasons:

- We are an experienced Law Firm and have a strong track record in the Indonesian market.
- We have a solid understanding of commercial transactions drawn from extensive experience across the market, which enables us to offer you relevant and targeted advice and to deliver excellent legal services.
- We have qualified resources and are ready to work with you.
- We are looking forward for the opportunity to provide you with our legal services and a long term mutually beneficial working relationship with you.
